PrestoPay™- PrestoPay is ShopWithScrip's online payment system that you can use for a convenience fee of \$0.15 per order. When you use PrestoPay, your order payment is transferred securely via the electronic debit of your checking or savings account, and your orders will process faster than if you paid by check. You can't link PrestoPay to a credit card as credit cards charge costly fees that would take a portion of earnings away from our organization.

Enrolling in PrestoPay:

- Login to your ShopWithScrip account and click on PrestoPay under Family Functions.
- Enter your checking and general information.
- Two small deposits will be added to your checking account within two days of entering your information to verify your account.
- Enter these two deposits on ShopWithScrip under PrestoPay, and then select a 4-digit PIN.
- Then you're verified, and you'll get an approval code that you need to send to your coordinator!
