

# How Can We Help Holy Family Earn EXTRA?

• The biggest way we earn extra \$\$ from our families is through your used aluminum cans! Drop a trash bag of them in the trailer anytime, located across the street North of the church parking lot near the storage shed on the gravel lot!

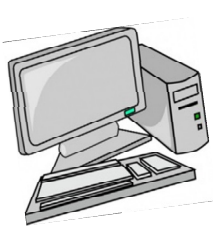

Coors refunds the school for these!

• We still benefit from Boxtops for Education! Don't have time to cut them out perfectly? No need! We have volunteers that take care of it! Drop these off in the red/white plastic soup can located in front of the office counter! (Please check expiration dates!) We can no longer take ANY labels, unfortunately.

• Although HFE doesn't earn directly, we collect pulltabs for Hays High DECA which benefits the Ronald McDonald houses across the country! Feel free to drop them off in baggies in the office!

• Have parts from old cell phones or computers? Keyboards, mouse, speakers? Feel free to bring them in and see if our I.T. director can utilize them in some way at school!

• Have used books, toys, paper or art supplies you'd like to get rid of? We always accept donations for the library, art room, preschool room or After School Care!

• HFE Bucks – let's build up the momentum of one of the easiest & most profitable ongoing fundraisers! Buy gift cards at face value for businesses you already plan to go to, and earn \$\$ toward your child's enrollment fees!

You can even pull the 'cards' up right on your cell phones while in line at stores or restaurants! Visit our school website or ask committee members how to get started!
