

You know about HFE Bucks but here's a better picture of how it applies to our families!

There are a total of 357 families at TMP & HFE.

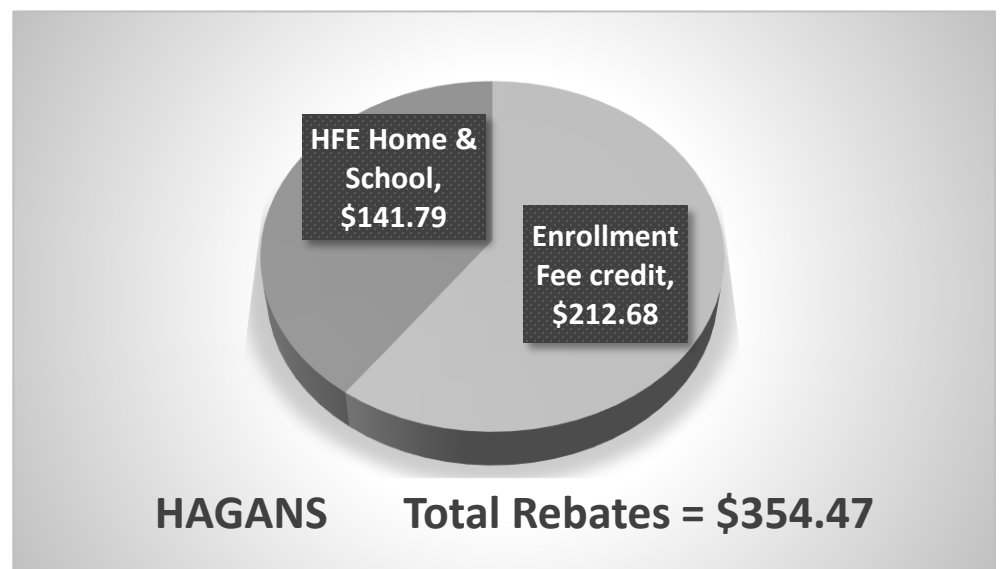

This chart shows the number of families participating in our program and the amount of rebates they have earned toward their 2019-2020 enrollment fees.

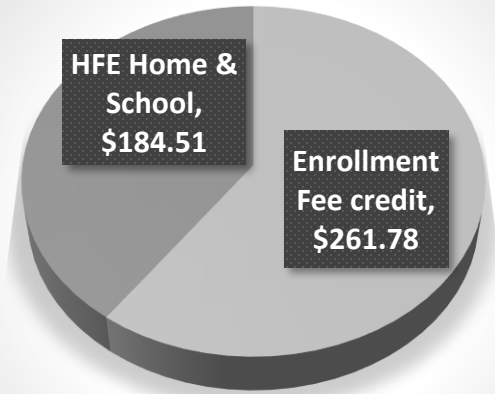

There is still great potential. It's not too late to get started! You have FIVE more months to earn- please consider, right now, where you are shopping and dining...

Amazon? Walmart? Taco Shop? Gellas? If you need more clarification on how these businesses (and hundreds more) will earn you dollars, by buying a gift card through HFE Bucks, in person or on your cell phone, contact our committee members. If you have friends, family and neighbors interested they can also **sponsor** you! These four families can show you how, too!
